ES-339 2015

Popular Playing Feel with No-Compromise
Tone

\$2,799

The hugely popular compact ES-339 scores big with
Burst Bucker pickups, Grover™ tuners, and full-scale

traditional '335' looks and tone.

New for 2015

- **F-Hole emblem engraved truss rod cover:** The iconic symbol of the Gibson ES line is now the hallmark of Gibson Memphis
- **Grover Milk Bottle Rotomatic tuners:** Retro style tuners with modern features and 18:1 ratio for improved tuning accuracy
- **Redesigned neck dimensions:** Added thickness to Peghead transition provides greater strength and stability

- **Historic truss rod:** Superior Adjustability due to the Teflon coating, larger diameter rod, original brass anchor and larger washer
- **Bone nut:** Bone for smooth tuning and excellent durability
- **Rolled neck binding:** Binding is rounded off to comfortably fit the contours of the player's hand
- **Block inlay fretboard:** Block fingerboard inlays are synonymous with the 1960's ES-335
- **Low profile frets:** Lower fret height provides smooth playability and accurate intonation
- **New finish colors:** New variations on your favorite vintage color schemes as well as all new, eye catching colors
- **Burstbucker 1 & 2 pickups:** Pickups are calibrated for each position for balanced output & brighter sound (closer to original PAF's)
- **Capacitor changes:** Less treble cut than previous capacitor results in a tone with a harmonically rich, singing quality
- **Locking stop bar tailpiece:** Solid connection from the stop bar to the body of the guitar increases resonance and sustain all while making string changes simpler

Body

Top

- Wood Species: Maple, Poplar, Maple
- Pieces: 3-Ply
- Grade: Plain
- Binding: Cream

Back

- Wood Species: Maple, Poplar, Maple
- Pieces: 3-Ply
- Density: Plain
- Binding: Cream

Rims

- Species Wood: Maple, Poplar, Maple
- Pieces: 3-Ply
- Grade: Plain

Weight

- Average Weight (body only): 2.1069 kg / 4.645 lbs

Materials Used

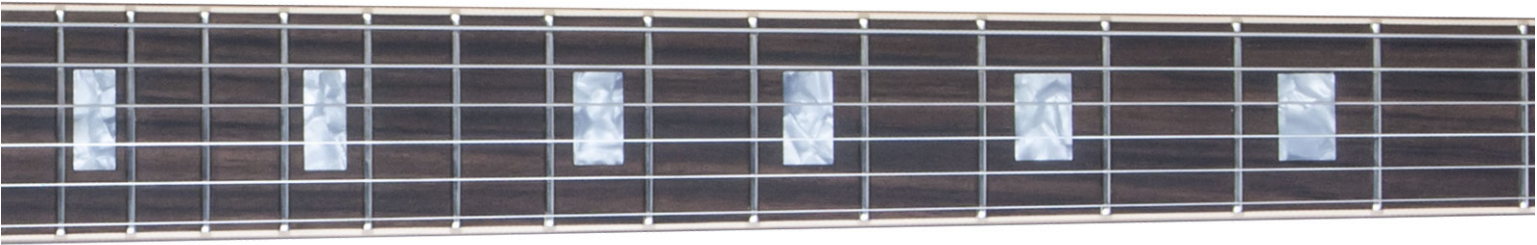

- Glue: Franklin Titebond 50

- Tonal, Resonant, and/or Technical Effect: The soundwaves resonate within the hollow airspace of the Maple veneered Body, around the F-holes, and throughout the solid glue joints.

Body Contour

- Carve: ES (Semi-Hollow)

Neck

Neck

Wood Species: Mahogany
Pieces: 1

Details

Truss Rod: Historic
Profile: Traditional "C"
Thickness at Fret 1: 21.082 mm / .830"
Thickness at Fret 12: 22.987 mm / .905"
Other Materials: Franklin Titebond 50
Average Weight: 394.6254 gm / 0.870 lbs

Peg Head

Type: SP-1
Inlay: Mother of Pearl Crown
Logo: Mother of Pearl "Gibson"
Headstock Angle: 17 degrees
The wood, construction, and headstock pitch all contribute greatly to the tone, aiding

Nut

Style: White
Material: Bone
